Volunteering with a Student Group or UAI Program

CIL students should use this form to outline what they learned from working (in an executive capacity) with an internationally-oriented student group OR from volunteering with approved University of Alberta International (UAI) programs. Approved UAI programs are listed on the CIL website. Please complete one form for each position that you held.

Describe the position you held. What was the purpose of your role? Who did you work with? What tasks were you responsible for? Please limit your response to the space provided (max 150 words)			

Reflection:

<p>Reflect upon your volunteer experience. Consider the following as you draft your response:</p> <ol style="list-style-type: none"> 1) What (did you learn)? What surprised you? What “a-ha!” moments did you have? What are you left thinking about? 2) So What? Why does what you learned matter? How does it connect to your life? Why should it matter to others? 3) Now What? What will you do differently now? Have your views or behaviors changed? If so, how? Give examples. <p>Please limit your response to the space provided (max 300 words)</p>

Please have a fellow executive member or UAI staff member sign below.

I verify the above student has completed the volunteer placement as described above.
