30 Undergraduate Entrance Awards

30.1 Introduction

All awards for entering undergraduate students are administered by the Office of Student Awards which is located in Room 103, Administration Building (403) 492-3221.

Students entering the first year of Faculté Saint-Jean are eligible for these awards and may apply on the appropriate University of Alberta Entrance Scholarship application form(s).

In order that funds be broadly distributed, no undergraduate student may hold more than one University of Alberta major award in any one year. Normally all monetary awards, are contingent upon students proceeding with their university programs in the immediate, next academic session and are payable only when students are in actual attendance at the University. The minimum value of a major award shall be determined by the Undergraduate Awards and Scholarship Committee and reviewed by the Committee. The current value of a major award is approximately \$2000.

This Calendar lists only those awards which have been approved and are administered by the University of Alberta. It does not include any awards available through other sources. Unless otherwise stated in the terms of any award, these awards are tenable only at the University of Alberta.

There are seven award competitions available to students entering an undergraduate degree program at the University for the first time. Each of these competitions is described briefly in the following sections. Each section begins with a general competition description, including information on the total number and value of awards available, application deadlines, eligibility requirements, and selection criteria and procedures. Each award competition section also includes an alphabetic listing of the specific awards available with that competition.

For more information regarding these awards, please contact your student counsellor/advisor or the Office of Student Awards at (403) 492-3221. For information regarding awards for continuing undergraduate students see §31.

For information regarding bursaries see §32 or contact the Student Financial Aid and Information Center, 2-700 Students' Union Building (403) 492-3483.

30.2 Academic Excellence Competition

The Academic Excellence Scholarship Program was created to encourage high school students to continue their studies at the University of Alberta. This program is unique in that awards are offered on the basis of applicants' Grade 11 marks. By completing the Academic Excellence Scholarship application form, students are considered for a variety of scholarships available in this program. Additionally, all applicants' names are added to a University mailing list that is used to automatically distribute applications and information about other Scholarship and Award opportunities available to entering undergraduate students.

Approximately 900 awards are offered annually ranging in value from \$500 to \$2500. Grade 11 students may apply by completing the University of Alberta Academic Excellence Scholarship application form available from high school counsellors or from the Office of Student Awards in April.

Deadline for receipt of applications in the Office of Student Awards is June 15 (of Grade 11 year).

To be eligible for one of these awards, applicants must be planning to enter the University of Alberta upon graduation and have first class academic standing based on Grade 11 subjects. Applicants' award averages are calculated by averaging their marks in English 20 and the best four other marks received in subjects from Group A (Humanities), Group C (Sciences) and a maximum of one subject from Group B (Fine Arts). Subjects are classified as follows:

Group A (Humanities)

20-level language other than English
Additional 20-level language other than English
Social Studies 20

Group B (Fine Arts)

Art 20/21
Commercial Art 25 A, B, C

30.8 Universiade '83 Entrance/Transfer Scholarship Competition

Universiade '83 Scholarships are made possible from an endowment created with the surplus funds from the 1983 University Games held at the University of Alberta. Recipients must have superior academic achievement in any Faculty and be pursuing excellence in athletics or fine arts.

Approximately 45 scholarships valued at \$2500 each are available annually. To be eligible for one of these awards, applicants must be planning to enter the University of Alberta in September from high school or as a transfer student from another post secondary institution, have first class standing, and demonstrated excellence in athletics or fine arts. Applicants must be continuing to pursue their interest in either athletics or fine arts.

Students may apply by completing the University of Alberta Universiade '83 application form available from high school counsellors, college award offices, or from the Office of Student Awards in March of each year.

Deadline for receipt of applications in the Office of Student Awards is October 15.

All applicants will be notified of results in December of each year. Successful applicants will receive their scholarship funds in two installments in December and January.

31 Undergraduate Continuing Awards**31.1 Introduction**

All awards for continuing undergraduate students are administered by the Student Awards Office which is located in Room 103, Administration Building (403) 492-3221.

This Calendar lists only those awards which have been approved and are administered by the Student Awards Office, University of Alberta. It does not include any awards available through other sources or awards administered directly by Faculties or Departments at a value less than \$500. Unless otherwise stated in the terms of any award, these awards are tenable only at the University of Alberta.

There are six award competitions available to students continuing in an undergraduate degree program at the University. Each of these competitions is described briefly in the following sections. Each section begins with a general competition description including information on the total number and value of awards available, application deadlines, eligibility requirements, and selection criteria and procedures. Each award competition section also includes an alphabetic listing of the specific awards available within that competition.

31.1.1 Payment/Eligibility Information

Unless otherwise stated, monetary awards, except certain cash prizes, are payable at the full value only when the recipient is in actual full-time attendance at the University. Students registered in the co-op portion of a program are not eligible to receive funds until they return to course studies.

The University of Alberta strongly encourages students to acquire international perspective and experience as part of their studies. University of Alberta awards and scholarships can be used to participate in formal University of Alberta academic student exchanges. A listing of all formal exchanges is available at the International Centre.

Students who are enrolled in less than a full-normal course load are allowed to apply for the following awards when they have accumulated the equivalent of a full-normal course load as defined by the Faculty: Faculty Club Scholarship, Peter Lougheed Scholarships, Lou Hyndman Edmonton Glenora Awards, Arthur Scroggie Scholarship, University of Alberta Undergraduate Scholarships and any award created after 1991. Detailed information on transcript assessment for these awards is available from the Student Awards Office.

31.1.2 Definitions

Definitions used in naming awards and in the academic requirements for each are as follows:

Award: a general term describing the presentation of an item of monetary and/or other value to a person or persons. As used in this document, it's meaning will be restricted to awards made by the Undergraduate Awards and Scholarship Committee, through the Office of Student Awards, or any other University of Alberta body. The term award does not of itself carry any implication of criteria used in the selection decision, including academic merit. An award is based on satisfactory academic achievement and does not appear on a student's transcript.

Scholarship: an award given to a student on the basis of overall superior academic achievement in a Faculty, Department, or degree program. Secondary selection criteria may also be used. A degree program may mean a full multi-year degree program within a Faculty or Department, or may mean one or more specific years within a full multi-year degree program. A scholarship does appear on a student's transcript.

Prize: an award given to a student on the basis of superior academic achievement in a Faculty, Department, or in some other subdivision of a Faculty. For the purposes of prizes, a course within the University is considered to be an acceptable subdivision of a Faculty. Additional non-academic secondary selection criteria may also be used. A prize does appear on a student's transcript.

Bursary: an award of any monetary value given to a student on the basis of demonstrated financial need and satisfactory academic standing in a Faculty. Additional selection criteria may also be used. A bursary does not appear on a student's transcript.

Medal: a University medal, as described in the University of Alberta Medal Policy given to a student on the basis of overall superior academic achievement in a Faculty, Department or some other subdivision of a Faculty, provided that the student maintains at least a satisfactory academic standing in his/her faculty. Additional selection criteria will not normally be used. A medal does appear on a student's transcript.

Superior Academic Achievement: is the term used for achieving a Grade Point Average of 7.5 or higher out of 9. This term is used for a scholarship or prize.

Satisfactory Academic Achievement: is the term used for achieving less than 7.5 out of 9. This term is used for an award. Awards do not appear on a student's transcript.

Please note that there may be some variations in the use of these terms for awards which were created prior to 1987.

For information regarding awards for undergraduate entrance students see §30.

For information regarding bursaries see §32 or contact Student Financial Aid and Information Center, Room 2-700, Students' Union Building (403) 492-3483.

31.2 Universiade '83 Undergraduate Scholarship Competition

Universiade '83 Scholarships are made possible from an endowment created with the surplus funds from the 1983 University Games held at the University of Alberta. Recipients must have superior academic achievement in any Faculty and be pursuing excellence in athletics or fine arts.

Approximately 40 to 50 scholarships valued at \$2500 each are available annually.

Students may apply by completing the University of Alberta Universiade '83 application form available from the Office of Student Awards in September of each year.

Deadline for receipt of applications in the Student Awards Office is October 15.

To be eligible for one of these awards, applicants must be registered full-time at the University of Alberta in any Faculty, demonstrate excellence in athletics or fine arts and have first class standing. Applicants must be continuing to pursue their interest in either athletics or fine arts.

All applicants will be notified of results in December of each year. Successful applicants will receive their scholarship funds in two installments in December and January.

31.3 General Undergraduate Academic Scholarship Competition

The General Undergraduate Academic Scholarship Competition is intended to recognize and reward students for superior academic achievement during their previous academic year at the University of Alberta. Academic achievement is the primary selection criterion for all awards included in this competition. Secondary criteria which may be considered includes financial need, extra-curricular activities, membership in student associations, etc.

Approximately 200 awards are available ranging in value from \$200 to \$3000.

Students apply to this competition by completing the General Undergraduate Academic Application Form available from the Student Awards Office in late March of each year. Deadline for receipt of applications in the Student Awards Office is June 1. Should the deadline occur on a Saturday or Sunday, the deadline is automatically 4:00 pm the following Monday.

Official grades are not required at the time of application. The Student Awards Office will automatically access applicants' transcripts when grades are official.

Normally, applicants must have achieved at least First Class Standing on a full-normal course load taken at the University of Alberta during the academic year September to April. Candidates enrolled in less than a full, normal course load are allowed to apply for certain awards when they have accumulated the equivalent of a full-normal course load. Candidates must also be continuing in an undergraduate or professional program at the University of Alberta.

A list of recipients will be posted in the Student Awards Office in late September. Only successful applicants will be contacted by mail. Funds will be received shortly after notification. To receive the full value of any scholarship in this competition a student must be enrolled full-time.

31.6 Louise McKinney Post-Secondary Scholarship Competition

The Louise McKinney Post-Secondary Scholarship program was created to recognize and reward students for their academic achievements and encourage them to continue in their undergraduate program of study. Alberta residents who plan to enroll at the University of Alberta in the second or subsequent year of a full-time program are eligible.

The University of Alberta is annually allocated approximately 260 awards each year which are distributed to the faculties based on the full-time enrollment of each faculty during the previous winter session. The awards are valued at \$1,500 for undergraduate students, and \$3,500 for students in extended professional programs (Law, Dentistry, and Medicine).

Successful candidates will be automatically nominated for the award and sent an invitation to apply in July. Invited applicants then complete and return their applications to the Student Awards Office.

Students who will be away from campus and unable to complete an application form in the summer, or those planning to complete an undergraduate degree program and proceed into another undergraduate program or a professional program are required to complete a Louise McKinney Post-Secondary Scholarship application by June 1.

These scholarships are awarded on the basis of superior academic achievement to University of Alberta students who are also Alberta residents. Successful candidates will be nominated for the award by the University of Alberta on the basis of a full normal course load taken during the preceding winter session.

Final approval will come directly from the Alberta Heritage Scholarship Office with the award money following in November.

31.7 Faculty/Department Selected Undergraduate Scholarship Competitions

The awards listed in this category are arranged alphabetically under the faculty/department responsible for selection of recipients. Selection procedures vary widely from department to department and faculty to faculty. In many cases an application is required. You are encouraged to directly contact either the department or faculty under which the award you are interested in is listed to obtain information on the procedures used for selection, and if applicable, application deadlines.

Awards given through the faculty/department selection process also have a variety of eligibility criteria. Individual faculties and departments are responsible for selecting nominees who meet the conditions of each individual award. To determine if you qualify for a specific award, please read its description carefully.

Approximately 1000 awards are available through the nomination process ranging in value from \$50 to \$10,000. Faculties and/or departments forward nominations to the Student Awards Office where eligibility of all nominees is confirmed. Recipients, if eligible, will be notified by the Student Awards Office informing them of their selection and specifying how their award funds will be distributed.

For many awards listed in this category, it is assumed that recipients will be continuing their studies in the faculty/department that has nominated them for an award. In many cases your eligibility to receive an award may be affected if you have transferred to a new program, major or University. If you are unsure of your eligibility to receive one of these awards as a result of the above please contact either the faculty/department or the Student Awards Office.

PS Warren Memorial Prize in Earth History

Field of Study: Geology

Value: \$1000

Number: 1

Conditions: To be awarded annually to a non-graduating student either in Honors Geology or majoring in Geology, for outstanding achievement in the field of Earth History.

Donor: Endowed by Mrs RB Ferguson of Winnipeg and Mrs JE Campbell of Edmonton, in memory of their father, Dr PS Warren, former Head of the Department of Geology, whose particular interest was in the study of Earth History.

Apply: By nomination from the Department of Earth and Atmospheric Sciences.

PS Warren Prize in Geology

Field of Study: Geology

Value: \$1000

Number: 1

Conditions: Awarded to a non-graduating student for receiving the highest final mark in Introductory Geology in the year preceding the award, and who shows a continuing interest in pursuing earth science as a career by registering in at least one geology course at the second or higher year level.

Donor: Endowed by the Edmonton Geological Society.

Apply: By nomination from the Department of Earth and Atmospheric Sciences.

Darol and Evelyn (nee Linke) Wigham Scholarship

Field of Study: Geology

Value: \$1250

Number: 1

Conditions: To be awarded annually to a student entering the second year in the Department of Earth and Atmospheric Sciences majoring in Geology on the basis of academic achievement. Preference will be given to someone active in women's athletics.

Donor: Endowed by Darol and Evelyn (Linke) Wigham

Apply: By nomination from the Department of Earth and Atmospheric Sciences

William C Wonders Medal in Geography

Field of Study: Geography

Value: \$500 and a Silver Medal

Number: 1

Conditions: Awarded annually to the graduating student who has shown the highest distinction in the Honours Geography program. Preference will be given to those in the BA program. This award may be offered to a convocating student taking less than a full normal course load.

Donor: Endowed by the Department of Geography in recognition of Dr William C Wonders, founding head of the department.

Apply: By nomination from the Department of Earth and Atmospheric Sciences.

Michael Woollett Memorial Scholarship

Field of Study: Geology

Value: \$2500

Number: 1

Conditions: To be awarded annually to a full-time student entering fourth year of a BSc Honors or Specialization program on the basis of superior academic achievement (including Geology field schools) and participation in student activities.

Donor: Endowed by family, friends, Trigg, Woollett, Olson Consulting Ltd, and the PS Warren Society in memory of the late Michael H Woollett.

Number: 1

Conditions: To be awarded annually to a Canadian Citizen or Permanent Resident in third or fourth year in the Department of Civil Engineering with a GPA sufficient for admission to the Faculty of Graduate Studies and Research and who obtains the highest mark in CIV E 405, "Construction Materials and Methods".

Donor: Endowed by AGRA Foundation Limited.

Apply: By nomination from the Department of Civil and Environmental Engineering.

APEGGA Medals in Engineering

Field of Study: Engineering

Value: Sterling Gilt Medals

Number: 10 - One in each Program accredited by the CCPE

Conditions: Awarded annually to the graduating student with the highest academic standing in each of the engineering programs accredited by the Canadian Board of the Council of Professional Engineers (Chemical, Civil, Computer, Electrical, Engineering Physics, Mechanical, Materials [metallurgical], Mining, and Petroleum) on the basis of academic standing in the third and fourth year combined, which must be no less than 7.5. The University withholds the right of not awarding any of these medals in any given year.

Donor: Endowed by The Association of Professional Engineers, Geologists, and Geophysicists of Alberta .

Apply: By nomination from the Faculty of Engineering.

Alberta Chapter of the American Concrete Institute Prize in Civil Engineering

Field of Study: Civil Engineering

Value: \$350

Number: 1

Conditions: Offered annually to a student entering fourth year Civil Engineering who has demonstrated an interest in concrete construction. The recipient of the award will be selected on the basis of having achieved the highest academic standings in the third year courses CIV E 372, 374, and 391. The recipient must be a Canadian citizen who has completed the third year of Civil Engineering at the University of Alberta.

Donor: Endowed by the Alberta Chapter of the American Concrete Institute.

Apply: By nomination from the Department of Civil and Environmental Engineering.

Alberta Energy Company Ltd Scholarship in Petroleum Engineering

Field of Study: Petroleum Engineering

Value: \$2000

Number: 1

Conditions: To be awarded annually on the basis of superior academic achievement to a Canadian student or permanent resident who has completed the third year of study in the four year Honors or Specialization degree program in Petroleum Engineering.

Donor: The Alberta Energy Company Ltd

Apply: By nomination from the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering

Alberta Power Centennial Awards

Field of Study: Electrical Engineering, Mechanical Engineering

Value: \$4000

Number: 2

Conditions: Awarded annually to students entering the third year of Electrical or Mechanical Engineering. Selection will be based upon satisfactory academic standing, well-rounded personality, interpersonal skills, and leadership potential through extracurricular activities. Recipients must be Canadian citizens or landed immigrants.

Donor: Endowed in 1987 by Alberta Power Limited to commemorate the 100th anniversary of the creation of engineering as an organized profession. APL will try to offer summer employment to the finalists in each competition.

Apply: Office of Student Awards by October 1.

American Society for Metals Prize in Materials Engineering

Field of Study: Materials Engineering

Value: \$300

Number: 1

Conditions: To be awarded annually to the student with superior academic achievement in MAT E 252 (Materials Science II), and who intends to continue with the Materials Program.

Donor: Endowed by The American Society for Metals (Edmonton Chapter)

Apply: By nomination from the Department of Chemical and Materials Engineering

Anderson Exploration Ltd Scholarship in Petroleum Engineering

Field of Study: Petroleum Engineering

Value: \$500

Number: 1

Conditions: Awarded annually on the basis of superior academic achievement to a student entering second, third or fourth year Petroleum Engineering. Candidates must be Canadian citizens or Permanent residents.

Donor: Anderson Exploration Ltd

Apply: Nomination from the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering

Joseph Beggs Foundation for Kinematics Undergraduate Prize in Mechanical Engineering

Field of Study: Mechanical Engineering

Value: tuition and fees

Number: 1

Conditions: To be awarded annually to a student entering the third or fourth year in Mechanical Engineering on the basis of superior academic achievement in courses in dynamics, kinematics, mechanisms and vibrations.

Donor: Joseph Beggs Foundation for Kinematics in memory of Joseph Stiles Beggs, BSc Physics 1931 and MSc Spectroscopy 1934 University of Alberta, and Professor, School of Engineering and Applied Science, University of California at Los Angeles from 1948 to 1971.

Apply: By nomination from the Department of Mechanical Engineering.

CL Bell Memorial Prize

Field of Study: Electrical Engineering

Value: \$750

Number: 1

Conditions: To be awarded annually to a student of outstanding merit in either of the two optional routes of study in the third year of the Department of Electrical Engineering.

Donor: EECOL Electric Ltd.

Apply: By nomination from the Department of Electrical and Computing Engineering.

Walter L. Bigg Prize in Surveying

Field of Study: Civil Engineering

Value: \$1000

Number: 1

Conditions: The prize is available to undergraduate students taking a full normal course load at the University of Alberta in the Department of Civil Engineering. Selection for the prize will be based on superior academic achievement in the combination of Plane Surveying (CIV E 250) and Survey School (CIV E 251). The recipient must otherwise achieve satisfactory overall academic standing.

Donor: Established to honor the memory of Walter L. Bigg, soldier, surveyor, constructor, teacher, who served as a Professor in the Dept of Civil Engineering where he taught surveying, astronomy, photogrammetry and geodesy during the period 1957 to 1970. Endowed by friends, industry and university colleagues in recognition of his outstanding contribution in the field of surveying education.

Apply: By nomination from the Department of Civil and Environmental Engineering in consultation with the course instructor(s).

Henry Birks and Sons, Limited, Medal

Field of Study: Engineering

Value: Sterling Gilt Medal

Number: 1

Conditions: Awarded to a graduating student from the Faculty of Engineering on the basis of academic standing in the final two years (grade point average not less than 7.0) and qualities of leadership and character.

Donor: Henry Birks and Sons, Limited.

Apply: By nomination from the Faculty of Engineering

Dr CW Bowman Scholarship in Chemical Engineering

Field of Study: Chemical Engineering

Number: 1

Conditions: To be awarded annually to a student entering either the second, third or fourth year of the Chemical Engineering program on the basis of superior academic achievement.

Donor: Endowed by funds provided by the 1989 Alberta Oil Sands Technology and Research Authority Karl A. Clark Distinguished Service Award presented to Dr CW Bowman for his outstanding contributions to the furthering of Oil Sand Technology in Alberta.

Apply: By nomination from the Department of Chemical and Materials Engineering.

CADE/CAODC Spring Drilling Conference Scholarship

Field of Study: Petroleum Engineering

Value: \$1250

Number: 1

Conditions: Awarded annually to an undergraduate student in the third year of the Petroleum Engineering program. The award is based on superior academic achievement.

Donor: 1989 CADE/CAODC Spring Drilling Conference.

Apply: By nomination from the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering

Canadian Portland Cement Association Award

Field of Study: Civil Engineering

Value: \$1000

Number: 1

Conditions: To be awarded annually on the basis of acceptable academic standing and demonstrated experience in the concrete construction field and/or related interest (masonry, reinforced concrete, precast concrete, concrete pipe, concrete paving, etc.) to a student entering the fourth year of the Civil Engineering Program. Candidates must be Canadian citizens or Landed Immigrants who have been permanent residents of Alberta for at least two years prior to their nomination.

Donor: The Canadian Portland Cement Association (Prairie Provinces Region).

Apply: By nomination from the Department of Civil and Environmental Engineering.

Canadian Society for Chemical Engineering Prize in Chemical Engineering

Field of Study: Chemical Engineering

Value: \$50 Medal, Certificate of Merit, and journal subscription

Number: 1

Conditions: Awarded annually to the student in Chemical Engineering who obtains the highest standing in the work of the third year, provided that the student's general record is satisfactory to the Faculty of Engineering Council.

Donor: The Canadian Society for Chemical Engineering

Apply: By nomination from the Department of Chemical and Materials Engineering.

Canadian Society for Mechanical Engineering Medal

Field of Study: Mechanical Engineering

Value: Medal and certificate.

Number: 1

Conditions: To be awarded annually to the student in the third year of the Mechanical Engineering Program who has achieved the highest academic standing while enrolled in a full normal course load.

Donor: The Canadian Society for Mechanical Engineering

Apply: By nomination from Department of Mechanical Engineering.

Chemical Engineering Entrance Scholarships

Field of Study: Chemical Engineering

Value: \$1000

Number: 5

Conditions: To be awarded annually to students who, upon completing the qualifying year in the Faculty of Engineering, enter their second year in the Department of Chemical and Materials Engineering. Recipients will be chosen on the basis of superior academic achievement in a full, normal course load taken during the past year.

Donor: Department of Chemical and Materials Engineering

Apply: By nomination from the Department of Chemical and Materials Engineering

Chevron Canada Resources Limited Scholarships in Engineering

Field of Study: Chemical, Mechanical, or Petroleum Engineering

Value: \$1500

Number: 2

Conditions: Offered annually to two students of outstanding merit who are entering the final year in one of the above Programs and who are interested in the field of petroleum production. In selecting the candidates, factors such as initiative, and community involvement will be considered in addition to academic excellence.

Donor: Chevron Canada Resources Limited

Apply: By nomination from the Faculty of Engineering.

Ronald N Dalby Scholarship in Civil Engineering

Field of Study: Civil Engineering

Value: \$1250

Number: 1

Conditions: To be awarded annually to a student entering the fourth year in Civil Engineering who has completed the Project Management Course (CIVE 303). Recipient will be chosen on the basis of superior academic achievement and a demonstrated knowledge, initiative and interest in the practical problems and case studies of the labs as determined by the Project Management Course Instructor.

Donor: Endowed by the Carthy Foundation in honor of Ron Dalby who served as President of Manalta Coal Ltd from 1981 to 1994.

Apply: By nomination from the Department of Civil and Environmental Engineering.

J Graham Dale Memorial Software Design Prize in Computer Engineering

Field of Study: Computer Engineering

Value: \$750

Number: 1

Conditions: To be awarded annually to a student or a team entering fourth or fifth (co-op program) year in the Faculty of Engineering on the basis of superior academic achievement in Computer Engineering 313 (software engineering) at the University of Alberta.

Donor: Endowed by James Graham Dale Memorial Scholarship Fund

Apply: By nomination from the Department of Electrical and Computing Engineering

Dreco Energy Services Scholarship in Engineering Management

Field of Study: Mechanical Engineering; Engineering Management

Value: \$2500

Number: 1

Conditions: To be awarded annually to a student registered in the final year of an undergraduate degree in Mechanical Engineering and taking MECE 512 (Operations and Total Quality Management I) or MECE 513 (Operations and Total Quality Management II) as elective courses during that year. The recipient will have demonstrated overall superior academic achievement including superior performance in MECE 310 (Engineering Economy) and STAT 235 (Introductory Statistics for Engineering), and have shown organizational and leadership ability through involvement in student activities such as the MECE Club, the ESS, or the student government.

Donor: Dreco Energy Services Ltd.

Apply: By nomination from the Department of Mechanical Engineering in September of each year.

Dreco Energy Services Scholarship in Mechanical Engineering

Field of Study: Mechanical Engineering

Value: \$2500

Number: 1

Conditions: To be awarded annually to a student entering the final year of an undergraduate degree in Mechanical Engineering. Recipient will have demonstrated overall superior academic achievement including superior performance in MECE 260 (Mechanical Design I) and MECE 360 (Mechanical Design II), outstanding design capabilities and sound organizational and leadership skills.

Donor: Dreco Energy Services Ltd

Apply: By nomination from the Department of Mechanical Engineering

Warren (NW) DuBois Memorial Scholarship

Field of Study: Electrical or Mechanical Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student entering the fourth year in the Department of Electrical or Mechanical Engineering on the basis of superior academic achievement.

Donor: Endowed by colleagues, friends and family. Warren DuBois was a Professional Engineer with outstanding achievements in Mechanical and Electrical Engineering. His work was in development and operation of electric and natural gas utilities in Alberta, British Columbia, Saskatchewan and Manitoba.

Apply: By nomination from the Faculty of Engineering.

Edmonton Society of Structural Engineers Prize

Field of Study: Structural Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student enrolled in the fourth year elective course in structural design (CIV E 574) who has achieved the highest standing in Structural Analysis I (CIV E 372), Structural Design I (CIV E 374) and Structural

Design II (CIV E 474). Recipient must have superior academic standing in each of the three courses and satisfactory standing overall.

Donor: The Edmonton Society of Structural Engineers

Apply: By nomination from the Department of Civil and Environmental Engineering in February of each year.

Engineers Collaborative - JR Ogilvie Memorial Prize

Field of Study: Civil Engineering

Value: \$300

Number: 1

Conditions: To be awarded annually to a student in Civil Engineering, on the basis of the academic standing attained in structural design courses up to and including those normally included in the program to the end of term seven. Financial need of the student may also be taken into consideration.

Donor: Endowed by the Engineers Collaborative of Edmonton, in memory of the late JR Ogilvie, P Eng (Civil '49), a partner in the firm.

Apply: By nomination from the Department of Civil and Environmental Engineering.

Frances Irene Fallis Memorial Award in Electrical Engineering

Field of Study: Electrical Engineering

Value: \$750

Number: 1

Conditions: Awarded to the female student with the highest academic standing in the graduating class of Electrical Engineering.

Donor: Endowed by Sarah T Harris in memory of her grandmother Mrs Frances Fallis

Apply: By nomination from the Department of Electrical and Computing Engineering

Federated Pipe Lines Ltd Scholarship in Electrical Engineering

Field of Study: Electrical Engineering

Value: \$500

Number: 1

Conditions: Awarded annually on the basis of superior academic achievement to students entering their second, third, or fourth year Electrical Engineering. Candidates must be Canadian citizens or Permanent residents.

Donor: Federated Pipe Lines Ltd

Apply: By nomination from the Department of Electrical and Computing Engineering

Federated Pipe Lines Ltd Scholarship in Mechanical Engineering

Field of Study: Mechanical Engineering

Value: \$500

Number: 1

Conditions: Awarded annually on the basis of superior academic achievement to students entering their second, third, or fourth year of Mechanical Engineering. Candidates must be Canadian citizens or Permanent residents.

Donor: Federated Pipe Lines Ltd

Apply: By nomination from the Department of Mechanical Engineering.

Fluor Daniel Canada Inc Awards

Field of Study: Chemical, Electrical, Mechanical, or Civil Engineering

Value: \$2000

Number: 2

Conditions: Awarded annually to a Canadian citizen or Permanent Resident enrolled in a full normal course load who is entering the third or fourth year of studies in either Chemical, Electrical, Mechanical, or Civil Engineering. The award will be based on satisfactory academic achievement with a GPA of 7.0 or higher. Preference will be given to a female for one of the two awards.

Donor: Fluor Daniel Canada Inc

Apply: By nomination from the Faculty of Engineering.

Leonard E Gads Memorial Scholarship

Field of Study: Civil Engineering

Value: \$1500

Number: 2

Conditions: To be awarded yearly on behalf of the Civil Engineering Class of 1955, to a third year Civil Engineering student entering the fourth year, who qualifies in the areas of academic standing, extra-curricular activities, and financial need.

Donor: Endowed by the Civil Engineering Class of 1955 from the University of Alberta in memory of Dr Leonard E Gads, former Associate Dean of the Faculty of Engineering

Apply: By nomination from the Department of Civil and Environmental Engineering.

Captain Thomas Farrell Greenhalgh Memorial Scholarships in Chemical Engineering

Field of Study: Chemical Engineering

Value: \$5000

Number: 2

Conditions: To be awarded annually on the basis of superior academic achievement, leadership qualities, and contributions to extracurricular and/or community activities, to one student entering the third year and one student entering the fourth year of the Chemical Engineering program.

Donor: Endowed by Flora Greenhalgh.

Apply: By nomination from the Department of Chemical and Materials Engineering.

Albert Hanson Memorial Scholarship in Materials Engineering

Field of Study: Materials Engineering

Value: \$750

Number: 1

Conditions: To be awarded annually to a student entering third year in the Faculty of Engineering on the basis of superior academic achievement. Preference will be given to students who in the materials engineering program at the University of Alberta.

Donor: Endowed by Hanson Materials Engineering, in memory of Dr Albert Hanson, founder and late Chairman of the Board of Hanson Materials Engineering and graduate and friend of the University.

Apply: By nomination from the Department of Chemical and Materials Engineering

Kieran Hayden Memorial Award in Mechanical Engineering

Field of Study: Mechanical Engineering

Value: \$3000

Number: 1

Conditions: To be awarded annually to a student entering the third or fourth year of the Mechanical Engineering program. Selection will take into consideration the academic performance of the student combined with his or her contribution to community service and to engineering student activities, as well as participation in athletic or other

creative activities. The financial need of the student may also be considered. At the discretion of the Selection Committee, the award may not be awarded if in its opinion, no suitably qualified student can be found.

Donor: Endowed by the family and friends of the late Kieran Hayden, a Mechanical Engineering graduate from the University of Alberta

Apply: To the Chairman, Mechanical Engineering, by February 1.

Pat Heron Commemorative Bursary

Field of Study: Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually to a student entering the third or fourth year of the engineering program. Selection will take into consideration the satisfactory academic performance of the student combined with his or her contribution to community service and to engineering student activities, as well as participation in athletic or other creative activities. The financial need of the student will also be considered.

At the discretion of the Selection Committee, the bursary may not be awarded if in their opinion no suitably qualified student can be found.

Donor: Endowed by the family and friends of the late Pat Heron, a former Engineering student at the University of Alberta.

Apply: To the Dean, Faculty of Engineering, by February 1st.

WA and M Hiller Civil Engineering Scholarship

Field of Study: Civil Engineering

Value: \$1000

Number: 1

Conditions: To be awarded annually to a Canadian Citizen or Permanent Resident entering the final year of the BSc degree program in Civil Engineering on the basis of superior academic achievement. Recipient must have attended grades XI and XII at a high school in Western Canada and not hold any other award in excess of \$500.

Donor: Endowed by Mr and Mrs Walter A Hiller

Apply: By nomination from the Department of Civil and Environmental Engineering.

Home Oil Company Limited Scholarship in Chemical Engineering

Field of Study: Chemical Engineering

Value: \$500

Number: 1

Conditions: Awarded annually on the basis of superior academic achievement to a student entering their second, third or fourth year of Chemical Engineering (majoring in environmental engineering). Candidate must be Canadian citizen or Permanent resident.

Donor: Home Oil Company Ltd

Apply: By nomination from Department of Chemical and Materials Engineering.

VH Hunter Memorial Award in Mining, Materials and Petroleum Engineering

Field of Study: Mining, Materials and Petroleum Engineering

Value: \$1500

Number: 1

Conditions: Awarded annually to a student entering either the third or fourth year of Mining, Materials or Petroleum Engineering on the basis of academic achievement, qualities of scholarship, leadership, career goals, demonstrated interest and previous experience in the field of Mining, Materials or Petroleum Engineering.

Donor: Endowed by Mr Donald Hunter in memory of his father, the late VH Hunter.

Apply: By nomination from the Department of Chemical and Materials Engineering and the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering.

IEEE Northern Canada Section Scholarship

Field of Study: Electrical or Computer Engineering

Value: \$750

Number: 1

Conditions: To be awarded annually to a student entering third year Electrical or Computer Engineering. Selection will be on the basis of high academic merit. In the event that more than one student qualifies to receive this award, preference will be given to members of the Institute of Electrical and Electronic Engineers.

Donor: Endowed by the Institute of Electrical and Electronic Engineers Northern Canada Section, Region #7.

Apply: By nomination from the Department of Electrical and Computer Engineering, including the IEEE Student Branch Counselor.

ISA, The International Society for Measurement and Control-RT

McKenzie Memorial Book Prize

Field of Study: Chemical Engineering

Value: \$500

Number: 1

Conditions: Awarded to the graduating student with the highest standing in the computer process control option.

Donor: ISA, The International Society for Measurement and Control (formerly the Instrument Society of America, Edmonton Section)

Apply: By nomination from the Department of Chemical and Materials Engineering.

Inland Cement Limited Scholarship

Field of Study: Civil Engineering

Value: \$600

Number: 1

Conditions: Offered annually to a student of outstanding merit entering the fourth year of Civil Engineering. The award is based on the academic standing of a full normal third year which must be not less than 7.0.

Donor: Inland Cement Limited

Apply: By nomination from Department of Civil and Environmental Engineering.

Douglas Farquhar Johnston Bursaries in Engineering

Field of Study: Mining Engineering

Value: \$2000

Number: 5

Conditions: Offered annually to students entering the third or fourth year in Mining Engineering. Awards will be based on academic standing and financial need. If there are no suitable candidates entering fourth year, those entering third year may be considered.

Donor: Endowed by the late Mr Johnston.

Apply: By nomination from the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering

Russel Jordan Memorial Scholarship in Petroleum Engineering

Field of Study: Petroleum Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually to a Canadian citizen or permanent resident residing in Alberta and entering fourth year in Petroleum Engineering at the University of Alberta. Selection will be based upon superior academic standing, demonstrated leadership qualities, and involvement in amateur sports. If there are no suitable candidates entering fourth year, those entering third year may be considered.

Donor: Endowed by the family and friends of the late Russel Jordan, a 1982 Petroleum Engineering graduate from the University of Alberta.

Apply: By nomination from the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering

J (Jack) Longworth Scholarship

Field of Study: Civil Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to the undergraduate civil engineering student with superior academic achievement overall and the highest mark(s) in the structural design course(s).

Donor: Endowed by the members of the Civil Class of 1955, classmates, former students, colleagues, family and friends of Jack Longworth. This award was established by the Civil Engineering Class of 1955 on the occasion of their 40th year of graduation.

Apply: By nomination from the Department of Civil and Environmental Engineering

Luscar Ltd Engineering Scholarships

Field of Study: Chemical, Civil, Electrical, Mechanical, Mining Engineering

Value: \$500

Number: 5

Conditions: Offered annually to a student entering second year in the Chemical, Civil, Electrical, Mechanical, and Mining at the University of Alberta (one award per discipline). Preference will be given to students having an interest in the mining industry. The award will be based on superior academic achievement.

Donor: Luscar Ltd

Apply: By nomination from the Faculty of Engineering.

Masonry Contractors Association of Alberta (Edmonton Chapter) Scholarships

Field of Study: Civil Engineering

Value: \$250

Number: 2

Conditions: To be awarded on an annual basis. One goes to a student enrolled in CIV E 490 who has submitted the most outstanding report on a topic of interest to the masonry industry and one goes to the student who has performed outstanding research on a topic of interest to the masonry industry, in connection with the faculty undergraduate research programs.

Donor: Endowed by the Masonry Contractors Association of Alberta Edmonton Chapter.

Apply: By nomination from the Department of Civil and Environmental Engineering.

John Alexander McDougall Memorial Scholarship

Field of Study: Civil Engineering

Value: \$750

Number: 1

Conditions: Offered annually to a student of outstanding merit entering the fourth year of Civil Engineering, based on the work of the third year.

Donor: McDougall and Secord Limited in memory of John Alexander McDougall, a member of the first Senate of the University.

Apply: By nomination from Department of Civil and Environmental Engineering.

Bruce A McGregor Award in Engineering Communication

Field of Study: Engineering Communications

Value: \$500

Number: 1

Conditions: To be awarded annually to an Engineering student who is an Alberta resident, who has satisfactory academic standing, and has shown superior oral and written skills in English in one of the required Engineering Communications courses in either Chemical, Civil, Electrical or Mechanical Engineering. The award will also be based on overall academic achievement, involvement in extracurricular activities and leadership potential.

Donor: Endowed by Mr Bruce A McGregor to encourage and motivate students toward the need for effective written and oral skills in English in the world today.

Apply: In writing to the appropriate Departmental Office in Engineering by February 15th.

BL Montgomery Scholarship in Engineering

Field of Study: Engineering

Value: \$3000

Number: 1

Conditions: To be awarded on the basis of superior academic achievement, evidence of maturity, extra-curricular activities, work experience, and community involvement to a student entering the first year of a degree program in one of the following engineering disciplines: civil, mechanical, mineral, electrical, geological, metallurgical, computer, mining, surveying or petrochemical. Provided the student maintains a high academic standing, the award will be renewable for the second, third and fourth years.

Donor: Endowed by Western Decalta Petroleum (1977) Ltd to honor Mr BL Montgomery at his retirement.

Apply: Dean of Faculty of Engineering by January 1st (after completion of first term of the first year). A new award will be made only on the completion of the previous recipient's four year scholarship.

National Association of Corrosion Engineers Student Prize

Field of Study: Materials Engineering

Value: \$250

Number: 1

Conditions: To be awarded annually to an undergraduate student selected on the basis of superior academic achievement in MATE 445 (Corrosion and Oxidation) at the University of Alberta.

Donor: Endowed by The National Association of Corrosion Engineers, Edmonton Section. Apply: Candidates will be selected by the Department of Chemical and Materials Engineering

Newbert Construction and Engineering Ltd Scholarship

Field of Study: Construction Engineering

Value: \$1500

Number: 6

Conditions: To be awarded annually on the basis of superior academic achievement and demonstrated interest in Construction Engineering to students entering the third year of a Civil Engineering program at the University of Alberta.

Donor: Endowed by Mr and Mrs Kurt and Lilian Newbert

Apply: By nomination from the Department of Civil and Environmental Engineering.

North American Construction Ltd Construction Engineering Award

Field of Study: Civil Engineering

Value: \$1000

Number: 1

Conditions: To be awarded annually to a female student entering the second year of Civil Engineering with an interest in Construction Engineering. The basis for selection will be high academic standing, good personal qualities and leadership potential. The recipient must be a Canadian citizen or Permanent Resident.

Donor: North American Construction Ltd in recognition of providing more opportunities for women to enter the construction industry and in assisting the Canadian Government's Employment Equity Program.

Apply: By nomination from the Department of Civil and Environmental Engineering.

Stuart Olson Undergraduate Award in Civil Engineering

Field of Study: Civil Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually to a student entering the second year of Civil Engineering with an interest in Construction Engineering. The basis for selection is superior academic standing, good personal qualities and leadership potential. The recipient must be a Canadian Citizen.

Donor: Stuart Olson Construction Ltd in recognition of the 50th Anniversary of Stuart Construction.

Apply: By nomination from the Department of Civil and Environmental Engineering.

Nick Oneschuk Memorial Scholarship

Field of Study: Civil Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually to a student of outstanding academic merit entering the fourth year of the BSc program in Engineering who has a significant interest in construction engineering. The basis for selection will be high academic standing, good personal qualities and leadership potential.

Donor: Endowed by PCL Construction Ltd in memory of the late Nick J Oneschuk.

Apply: By nomination from Department of Civil and Environmental Engineering.

Jessie E Paull Memorial Prize

Field of Study: Highway Engineering

Value: \$250

Number: 1

Conditions: Offered annually to the student obtaining the highest standing in CIV E 211 provided that the student obtains a grade of at least 7 in this subject and is registered in a full year's program.

Donor: Endowed by Mr AM Paull, formerly Chief Highway Construction Engineer, Province of Alberta

Apply: By nomination from Department of Civil and Environmental Engineering.

Randy Duane Rawson Memorial Scholarship in Electrical Engineering

Field of Study: Electrical Engineering

Value: \$175

Number: 1

Conditions: To be awarded annually on the basis of high academic standing and financial need to a student entering the second, third, or fourth year of the Bachelor of Science program in Electrical Engineering.

Donor: Endowed by the family and friends of Randy Duane Rawson, a former student.

Apply: By nomination from the Department of Electrical Engineering.

Conway Reimer Memorial Scholarship in Computer Process Control

Field of Study: Chemical Engineering - Computer Process Control

Value: \$2500

Number: 1

Conditions: To be awarded annually to a Canadian citizen or permanent resident entering the third year of a program in the Department of Chemical Engineering specializing in the area of "Computer Process Control". The award will be made on the basis of superior academic achievement, demonstrated interest and capability in the area of computer applications, and qualities of leadership and character. This award is renewable for a second year upon satisfactory academic achievement.

Donor: Endowed by Hewlett Packard (Canada) Ltd in memory of Conway Reimer, former Computer Sales Manager for Western Canada for Hewlett Packard.

Apply: By nomination from the Department of Chemical and Materials Engineering.

DB Robinson Entrance Scholarship in Chemical Engineering

Field of Study: Chemical Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually to the student who, upon completion of the qualifying year in the Faculty of Engineering, enters his/her second year in the Department of Chemical Engineering. Recipients will be chosen on the basis of superior academic achievement and the highest grade point average from the first year engineering program.

Donor: Endowed by the Faculty of Engineering, the colleagues and friends of Dr Donald B Robinson upon his retirement in 1984, after 36 years of distinguished service in the Department of Chemical Engineering.

Apply: By nomination from the Department of Chemical and Materials Engineering.

DB Robinson Prize in Thermodynamics

Field of Study: Thermodynamics - Chemical Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student on the basis of superior academic achievement in the study of Thermodynamics (CH E 343).

Donor: Endowed by the Faculty of Engineering, the colleagues and friends of Dr Donald B Robinson upon his retirement in 1984, after 36 years of distinguished service in the Department of Chemical Engineering.

Apply: By nomination from the Department of Chemical Engineering.

K Sabol Memorial Award

Field of Study: Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student entering the third or final year, demonstrating the highest achievement in research conducted under the Faculty of Engineering Dean's Undergraduate Research Awards Program.

Donor: Sabol Family and Canadian Energy Developments Inc

Apply: By nomination from the Faculty of Engineering

Malcolm D Saunders Bursary in Mining Engineering

Field of Study: Mining Engineering

Value: \$1000

Number: 1

Conditions: To be awarded annually to student entering or completing the fourth year of studies in the Mining Engineering program. Recipients will be chosen on the basis of financial need, satisfactory academic standing, leadership qualities, social conscience and aptitude for the field of mining engineering.

Donor: Endowed by Margaret Saunders in memory of her brother Malcolm D Saunders, who graduated from the University of Alberta with a BSc in Mining Engineering in 1935.

Apply: By nomination from the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering

Schlumberger Collegiate Scholarship

Field of Study: Electrical Engineering

Value: \$3000

Number: 1

Conditions: Awarded annually on the basis of superior academic achievement to a student entering second, third or fourth year of the Electrical Engineering program.

Donor: Endowed by Schlumberger Foundation Inc

Apply: By nomination from the Department of Electrical and Computing Engineering

Schlumberger Scholarship in Electrical Engineering

Field of Study: Electrical/Computer Engineering and Engineering Physics

Value: \$2500

Number: 1

Conditions: To be awarded annually to a student entering third or fourth year in an undergraduate program in the Department of Electrical Engineering on the basis of superior academic achievement.

Donor: Endowed by Schlumberger Foundation Inc

Apply: By nomination from the Department of Electrical and Computing Engineering.

Sony Engineering Scholarship

Field of Study: Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually to a student entering the second year in the Faculty of Engineering on the basis of superior academic achievement.

Donor: Sony of Canada Ltd in celebration of the 35th Anniversary of the arrival of the first Sony product in Canada.

Apply: By nomination from the Faculty of Engineering

Wilson Sterling Memorial Book Prize

Field of Study: Mechanical Engineering

Value: Book: Mark's Standard Handbook for Mechanical Engineers

Number: 1

Conditions: Awarded to the student who in the opinion of the Department has shown superior academic achievement in the undergraduate design courses.

Donor: Endowed by Mrs B Sterling and family.

Apply: By nomination from the Department of Mechanical Engineering.

Allen Strang Memorial Award

Field of Study: Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student entering the second or third year in any program in the Faculty of Engineering on the basis of satisfactory academic standing. Applicants must be residents of the Northwest Territories or the Yukon. Preference given to someone in financial need.

Donor: Endowed by Vicki Strang in memory of her husband, Allen Strang, and by various friends, family and colleagues.

Apply: By nomination from the Faculty of Engineering.

Bill Taciuk Scholarship in Mining, Materials and Petroleum Engineering

Field of Study: Mining, Materials or Petroleum Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student entering either the second, third or fourth year in the Mining, Materials or Petroleum Engineering programs on the basis of superior academic achievement.

Donor: Endowed by funds provided by the 1993 Alberta Oil Sands Technology and Research Authority Karl A Clark Distinguished Service Award presented to Mr William (Bill) Taciuk for his outstanding contributions to the furthering of Oil Sands Technology in Alberta.

Apply: By nomination from the Department of Chemical and Materials Engineering and the Department of Civil and Environmental Engineering, School of Mining and Petroleum Engineering.

Taylor Industrial Software Design Award in Computer Engineering

Field of Study: Computer Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student or team of students selected on the basis of superior performance in CMPE 313 (software engineering) at the University of Alberta.

Donor: Taylor Industrial Software

Apply: By nomination from the Department of Electrical and Computing Engineering.

Taylor Industrial Software Undergraduate Scholarship

Field of Study: Electrical Engineering and Computer Engineering

Value: \$2000

Number: 1

Conditions: To be awarded to a student entering fourth year of the electrical engineering or the computer engineering program on the basis of superior academic performance.

Donor: Taylor Industrial Software

Apply: By nomination from the Department of Electrical and Computing Engineering.

Anton Tomc Memorial Award

Field of Study: Mechanical Engineering

Value: \$500

Number: 1

Conditions: To be awarded annually to a student entering the third year of a program in the Department of Mechanical Engineering. Active participation and contribution to engineering student activities, community service, as well as academic performance will be considered. At the discretion of the Selection Committee, the award may not be awarded if in its opinion no suitably qualified student applies.

Donor: Endowed by the family and friends of the late Anton Tomc, a former Mechanical Engineering Student at the University of Alberta.

Apply: To the Chair, Department of Mechanical Engineering, by February 1.

TransAlta Utilities Memorial Scholarships in Engineering

Field of Study: Chemical, Civil, Electrical, Mechanical, Mining Engineering

Value: \$750

Number: 5

Conditions: Awarded annually to students of outstanding merit entering the second year of the Chemical, Civil, Electrical, Mechanical, or Mining Engineering programs (one award to each program) whose homes are in an area served by TransAlta Utilities Corporation either directly or indirectly. The basis for the award is academic attainment during the first year.

Donor: TransAlta Utilities Corporation, in memory of GA Gaherty, late Chairman of the Board of TransAlta Utilities Corporation, and devoted friend of the University.

Apply: By nomination from the Faculty of Engineering

Underwood McLellan Scholarship in Engineering

Field of Study: Engineering

Value: \$1500

Number: 1

Conditions: To be awarded annually on the basis of outstanding academic merit to a student entering the fourth year in the Faculty of Engineering.

Donor: Endowed in 1980 by a gift to the University from Underwood McLellan Ltd of Calgary.

Apply: By nomination from the Faculty of Engineering.

Viridian Inc Scholarships in Chemical Engineering

Field of Study: Chemical Engineering

Value: \$750

Number: 2

Conditions: Awarded annually to two students of outstanding merit entering fourth year Chemical Engineering.

Donor: Viridian Inc

Apply: By nomination from Department of Chemical and Materials Engineering.

Viridian Inc Scholarships in Materials

Field of Study: Materials

Value: \$750

Number: 2

Conditions: Offered annually to students entering the second, third or fourth year of the Materials Engineering program on the basis of academic standing and financial need.

Donor: Viridian Inc

Apply: By nomination from the Department of Chemical and Materials Engineering

Walker Newby and Associates Ltd. Prizes in Environmental Engineering

Field of Study: Environmental Engineering

Value: \$750

Number: 2

Conditions: To be awarded each May to students in Civil Engineering who have successfully completed the courses Environmental Engineering I (CIV E 221), Environmental Engineering II (CIV E 421) and Municipal Engineering (CIV E 521) and who, in the opinion of the instructor, have shown interest and initiative in design problems related to municipal engineering, urban planning, design and construction.

Donor: Endowed by GC Walker (Civil '50) and LR Newby (Civil '51) and Walker, Newby and Associates Ltd. in commemoration of their Twenty-Fifth Anniversary of practice in Alberta, and supplemented by matching investment income by the Province of Alberta Advanced Education Endowment Fund of the 1980's.

Apply: By nomination from the instructor of CIV E 521.

Walker Newby and Associates Ltd. Prize in Survey Engineering

Field of Study: Survey Engineering

Value: \$500

Number: 1

Conditions: To be awarded each May on the basis of superior academic achievement in CIV E 250 (Plane Surveying) together with a good overall academic record.

Donor: Endowed by GC Walker (Civil '50) and LR Newby (Civil '51) of Walker, Newby and Associates Ltd. in commemoration of their Twenty-Fifth Anniversary of practice in Alberta, and supplemented by matching investment income by the Province of Alberta Advanced Education Endowment Fund of the 1980's.

Apply: By nomination from the Department of Civil and Environmental Engineering in consultation with the instructor of CIV E 250.

31.7.19 English

Aiken Prize in English Language and Literature

Field of Study: Honors English

Value: \$500

Number: 1

Conditions: Awarded to an outstanding student entering third year Honors English, providing a grade of 6.0 or better has been achieved in all English courses.

Donor: Endowed by the late Sir James Aiken.
